John Swift, Treasurer
Janet Wexler, Director

Host: Cheryl Schweiker

PMLF Road crew invited to meeting and brought in to ZOOM by Director Schweiker:
Ed Hammond
John Neate
Maz Cruz

BUSINESS

Snow Conditions:

The BOD discussed the current situation on 2/1 that all 3 trucks are presently inoperable during this current storm, due to various mechanical breakdowns. Pike County Emergency management has been called to let them know that no roads in PMLF community have been plowed. A notice has been composed to be sent out via e-mail and posted on social media and website. This notice will alert residents to the current situation and also let them know that if a resident has an emergency, they must inform 911 that our roads are not plowed and 911 must tell dispatcher that emergency vehicles need to be escorted by a Delaware Township plow. Residents were notified that the BOD is trying to resolve this unique situation right now and updates will be made as we go along.

This notice also stated that if anyone wants to volunteer to help plow, please contact : office at pmlfcommunity.com . Draft of notice approved and will be sent out tonight.

Respectfully submitted,

Julie Evcimen, Secretary

CERTIFIED AND ADOPTED AT THE BOARD MEETING ON 2/21/21.
